DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on August 24, 2004 has been entered.

Priority

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

3. The information disclosure statement filed August 24, 2004 fails to comply with 37 CFR 1.98(a)(3) because it does not include a concise explanation of the relevance, of documents designated as 1 to 4 and 7 under the section "OTHER DOCUMENTS" on Form HDP-1449 (Based on Form PTO-1449) as these documents are presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about

the content of the information. Although applicants have explained what these documents are, applicants have not explained the actual contents of the documents themselves. Accordingly, these documents have been placed in the application file, but the information referred to therein has not been considered. The Examiner has considered all other references cited in the information disclosure statement.

Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance: None of the references cited in the Information Disclosure Statement submitted, August 24, 2004, are considered to be any more pertinent to the claimed invention than the prior art previously of record over which the claimed invention was allowed as set forth in the prior prosecution history.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
